

## Sample Curriculum AND Plans for Education

*Quick, easily accessible, flexible  
Designed for teachers by teachers*

[www.michigan.gov/scope](http://www.michigan.gov/scope)

### ***Developed by teachers for teachers***

The site was developed by **teachers throughout the state**, with help from the **Michigan Department of Treasury, e-Michigan** and **Oakland Schools**.

#### ***SCOPE is designed for:***

- Teachers in public and non-public schools
- Administrators in all school districts
- Education-focused media
- Education "experts"
- Curriculum coordinators
- University education departments/professors
- School boards
- Education organizations
- Parents

*"The SCOPE site has the potential to significantly accelerate the education of Michigan's children and enhance the state's leadership in education."*

*Michael Boulus, Deputy State Treasurer, Michigan Department of Treasury*

### ***Lesson plans as close as the nearest keyboard***

The SCOPE Web site offers **practical classroom support** for all Michigan education professionals with high-quality, coordinated curriculum and lesson plans developed by the **teachers in the state**. Teachers can download plans for math, science, English language arts and social studies for grades K-11 and put the plans immediately to work in classrooms.

*"[The site] looks excellent! We all need this. I can see such value in all districts having an aligned curriculum, truly aligned. The work represents an amazing effort."*

*Susan Goering, Ed.D.  
Assistant Superintendent - Instruction  
Carman -Ainsworth Community Schools*

### ***SCOPE is a curriculum model, not a mandate***

SCOPE is a resource to help **make teachers' jobs easier** while at the same time **improving outcomes with students**. The site and lesson plans are easy to use, accessible and flexible. Teacher input is encouraged to keep the program on the **cutting edge**.

*"I think the site is an excellent resource for teachers. One of the best I have seen. I am looking forward to presenting the SCOPE site to our district this Fall. A big thanks to all who had a hand in its inception. Bravo!"*

*Deb Rowsey, Belleville  
Michigan Educator*
